BREA-LAYER

Dear PURELY 18,

I have a friend, we'll call him Steve, though his real name is Aron. Steve came over recently and was flipping through my copy of the May PURELY 18 that I had sitting on the living room table. I was in the other room getting ready and at first he was saying things like, "Hey, ya big perv, what's up with the dirty magazine?" and "Did you know these girls are only 18?!" Then all was quiet.

I didn't think much of it until I walked into the living room and found Steve zipping up his pants with the pages of your magazine open to some particularly exhilarating photos of Brea Bennett. There was some wadded-up tissues on the floor by his feet and I immediately knew that he was hooked.

Fast-forward a week and Steve can't stop talking about Brea, or young girls in general. I know for a fact that he's already subscribed to your magazine (I told him to get his own when he tried to cop my copy!), but I think he's become obsessed. This has made me wonder, did he always love young girls and just not realize it, or did his seeing one single issue of PURELY 18 spur his lust? I know this is probably one of those chicken-and-the-egg questions.

Another theory I have is that Brea is so unbelievably hot that it opened his eyes to a whole new world of teenage girls. With her perky little mouthfuls, creamy skin, pink lips (all the better to see without one of those clumsy muffs!), who can blame a guy for taking an interest in barely legal babes. Heck, if Brea couldn't open Steve's eyes, I'm not sure I could continue to call him a friend. Thank you, PURELY 18, for showing the light to yet another deserving fellow.

John

Dear John,

Yours is a popular question and one not taken lightly by your friends at P18. We have on numerous occasions employed teams of scientists and researchers to find out once and for all where the love for a young girl comes from. The results appear incontrovertible: Men naturally love teenage girls! If there are any non-believers out there, we suggest you take a gander at Brea and the other girls and tell us that's not a natural reaction happening in your pants! Case closed.

Dear PURELY 18,

My grandfather used to tell me that blondes have more fun (or was it blondes *are* more fun? It was something about blondes), but he didn't say anything about bathrooms! So imagine my surprise when I saw Adel playing around in the bathroom, even going so far as to wrap herself in toilet paper. How cute is that?!

It's just about the dreamiest thing I ever saw. Her smallish breasts so pert, the intoxicating muff that I can practically smell, and the playfulness that she obviously brings with her everywhere she goes. Is it wrong that a guy like me should want to put his pecker into all of her little holes? Is it out of line to want to plaster her pretty young face with my natural juices? No, I say! In fact there is nothing more noble than sharing the secrets of carnality with a beautiful and nubile young lady. Otherwise, heaven only knows where they will earn their sexual stripes. We must protect beauties such as Adel from those who do not fully appreciate them!

Thank you for your continued support, PURELY 18. Yours is the most virtuous work imaginable.

Will
Detroit, MI

Dear Will,

You are right to stand up for what you believe. Hair color is irrelevant, with young girls it's the freshness of face, the tightness of pussy, and sweetness of smell that are important. As for Nicole's panties, she kept them for herself. Sorry!

DIAL "M" FOR NICOLE

Dear PURELY 18,

I don't understand. Her name is Nicole (I'm talking about your May issue), yet she wore a shirt with an "M" on it. Like "M" is for "Micole"? But her name is Nicole—with an "N"!

Thank goodness the shirt comes off fast enough, because there is nothing confusing about her firm, young breasts or the vertical bush between her fawnish legs. I loved seeing her pull apart her cute, little pussy lips while she was sitting in the chair, legs spread for a perfect view.

You know, now that I'm looking at her pictures again I see that her shirt also has cartoon monkeys on it. Do you think that's what the "M" stands for? I don't know, I guess I'll have to stick with the pictures of her without that dang shirt on!

Mike
Hope, AR

Dear Mike,

While the "M" on Miss Nicole's shirt most likely does stand for "monkey," here are some other possibilities: muff, mouthful, marvelous, magnificent, and magnetic. Feel free to send us more as you think of them.

LONGING FOR LISA MARIE

Dear PURELY 18,

Fifty-two years. That's how long I've been waiting to find a girl like Lisa Marie. Fifty-two long and lonely years. Oh, sure, I've seen my share of action in those years, some of it even physical and involving the fairer sex, but all I ever really wanted was a pretty thing like Lisa Marie. Now I'm wondering if I'm too old for her, if she'd be willing to take a chance on an old gargoyle like me.

This letter may be my only chance, so please pass it on to her. Tell her I will always adore her fine figure, brush her chestnut hair, and hold her pussy lips apart for long as she likes. If there are other things she needs done, I'll do them, too. Truth is, I'll do anything to get the chance to spend my remaining years with this stunning creature.

Sam
Parker, KS

Dear Sam,

We know how you feel. Fifty-two years is a long time to wait to find the one you love. We can't make decisions for Lisa Marie, but we do know that she is open to offers, if you know what we mean. We passed your letter on to her, so now whatever might happen is between you consenting adults, so have fun!

*What goes through the mind of a young girl is fascinating fodder. Each month, **Purely 18** gives you a private look at the most personal of a young girl's thoughts, her diary. This time around, we examine a week in the life of Carla, a curious 18-year-old, as she ponders her world of . . . what else . . .SEX!*

A Young Girl's Diary

Dear Diary,

I used to wonder about boys and why they do the things they sometimes do, but now I am starting to wonder about me! So much has changed since me and Tommy started doing it and now when I think about how he used to paw at me and try to get into my jeans and I wouldn't let him, what was I thinking? Now I want it more than him and I'm pretty sure I'd do it with just about any guy who pulled his dick out. But that's not all.

Last night I went over to Tommy's and we were messing around in his room and I was riding him (you know how much I love to be on top!) and I could tell he was going to cum soon so I stopped and I told him I wanted him to cum on my face. He looked awful surprised, but he didn't hesitate. He stood up on the bed and I put his dick in front of my face and started jerking it really fast. I looked up at him and I said—oh, I still can't believe it—I said, "Cum on my face! I'm just a big slut!"

Well, he came on my face all right, and he came a lot. But I was so shocked by what I'd said that I just sat there for like an hour without even cleaning off my face. He didn't say anything, but he's usually quiet and weird after we have sex anyway. He just played PlayStation while I sat there wondering: Am I really a slut?

Dear Diary,

I guess I've answered the question that's been bothering me all week. Remember? I was wondering if I'm a total slut and now I have my answer: Yes! And I think I'm even proud of it.

"I let the guys take turns fucking me and then Cam came all over my tits and then Tommy came all over my butt."

See, Tommy and me got in a big argument at his house and I was sitting on his doorstep while he was playing video games and then his friend Cam came over. Cam asked me what was wrong and I said Tommy was being a big dummy. You know what? He understood. He said that sometimes Tommy is just plain stupid. Well, suddenly I saw Cam in a whole different way. His big, blue, sensitive eyes, his muscular arms, his thick, messy hair and, well, one thing led to another and next thing I know we're in Tommy's sister's room and he's got me bent over the bed screwing me from behind!

I gotta say that calmed me down a lot and after we were done, we both went downstairs to Tommy's room and acted like nothing happened. No big deal, Tommy just kept playing his stupid game anyway. I think maybe Cam and I could have had sex right there and Tommy wouldn't have even

to take it out so I could suck it. He did and it was so big, I almost freaked out. Instead, I told his friends to get theirs out and ready, too.

I didn't know a cock could be as big as Jimmy's, and it felt so good going back toward my throat. The other guys came forward and I jerked off two of them while the third one got behind me and was jerking off. Soon Jimmy started to grunt like he was going to cum, so I started stroking him really fast and took his dick out of my mouth and right then he shoots an enormous wad all over my forehead. The guy behind me shot his load then, too, and it was all in my hair. Two down, two to go, so I took turns sucking on them and it was only a couple minutes before they came, too. One guy blasted in my mouth and the other one hit both cheeks. Of course the jizz on my forehead had dripped down so it was like I had cum on every inch of my face. "Well," I told them, pulling a book off the shelf, "I'll never think of the…architecture section the same again!" They all laughed and I thought to myself, Being a slut must be the greatest thing in the whole, wide world! Somebody should write a book about it….

KACEY JORDAN

AGE: 18

MEASUREMENTS: 32A-21-23

DICK: RICK MASTERS

While some guys get lost in Kacey's big, blue eyes, there are still more who get lost in her fantastically puffy pussy. Who could guess a girl so tiny—she's but 5-foot-nothin' and 95 pounds—could have so much meaty goodness between her skinny little legs? Some girls have all the luck.

Guys, too. Like Rick, who eschews even getting his own cock sucked once he sees her holy snatch, choosing instead to stuff it in her immediately. As his cock presses in Kacey, her puffiness engulfs his member and then seems to expand even more, her clit popping out in excitement as she grips her ankles and pulls her legs in tight. Her teeny titties jiggle as he thrusts away for a few minutes before stopping to let her mouth engulf his member for a while.

On top, Kacey spreads her twat apart, exposing her hole to his wang. She sets herself down on his dong, then releases her snatch, which immediately surrounds his dick. As she rides, her lips expand and flap around his shaft. Her wetness covers his tool as he nails her spot, sending her into convulsive orgasms.

She's not selfish, and requests him to polish her off by blowing his load in her mouth, and with eyes like that, who can say no? She takes it in the piehole, though not all of it fits, so little white driblets escape down her chin and onto her A-cups. Clean up in aisle Kacey!

COURTNEY JAMES

AGE: 18

HEIGHT: 5′ 2″

DICK: STEVE TAYLOR

Courtney says she's up for anything involving her pussy, so Steve puts her to the test. First the fingers, and she

certainly digs that. After a prolonged exploration by his digits, she gives him a rousing blowjob, sexy brown eyes looking right up at him as her mouth fills with his hot dog. She rubs his balls and licks his shaft, which is just about more than he can handle.

Next stop: the gash. She gets on top of him and takes it all in. She bumps, she grinds, and he just hangs on to her ass to make sure she doesn't bounce away. When she turns around for a cowgirl ride, he diddles her clit as she tries to keep it together. "Ohhhh, you make my pussy feel so fucking good," she moans, B-cups bouncing easily as she humps.

Steve finally decides to step up and do some work, bending her over for a doggie-style engagement. He starts off easy but eventually gets into an intense ram and cram, which sends an appreciative Courtney into another dimension. Speechless but not silent, she accepts his rod as her

ass jiggles and the lines on the 18-year-old's brow appear.

She cums again when he bangs her missionary, and that's when she begins to scream for his jizz. He pulls out and blasts her pretty mug with his demon seed. She sucks him clean, all while looking Steve straight in the eye. Looking good!

MONICA MORALES

AGE: 18
HEIGHT: 5′ 4″
DICK: FRANKIE YOUNG

Sometimes a girl, even a young girl, will say things beyond their years with such conviction that they simply can't be ignored. That's what one feels when Monica says that getting pounded doggie really gets her pussy wet.

She's tiny and just 18, but she is intensely serious, especially when it comes to sex. She doesn't joke around or mince words like some of her playful counterparts. The results are there. To watch her give a no-hands blowjob is to watch a girl suck with conviction. She is steady and calm and her eyes never waver from her man's. Unlike some, Frankie is lucky to survive her BJ without spewing cream, so he gets to take a crack at her cunt.

She starts on top, her girlhole taking his stick as her pierced pussy lip rubs against him. "Give me that fucking dick!" she yells. "Come on, fuck this pussy!" He hangs tough and Monica rides urgently. He plays with her clit and that puts her into convulsions, her meaty lips more sensitive than one might imagine, and soon she reaches climax #1.

Getting fucked is fine, but Frankie knows if he's really going to ram her good, he's gotta get on top. After some clit teasing (and yet another girlie O), he throws it to her missionary. "Oh yeah, you're making that pussy wet!" she screams. "Fuck me just like that!" He brings it all home with strategic and powerful blasting, sending her over a couple more times before taking his own turn. She gets down on her knees and he lays creamy strips up and down her tongue. She swishes it around and swallows. "That was fuckin' good!" she smiles.

ESTRELLA FLORES

AGE: 18
HEIGHT: 5′ 6″
DICK: TALON

How new is Estrella to porn? **Teenage Pink P.O.V.** is her fifth scene, and she's still shy and giggly when it comes to matters of carnality. It hardly gets more adorable than watching Estrella self-consciously show off her little boobies and perfectly pink gash.

And you have to see the girl's eyes light up as she takes Talon's fat rod into her mouth. Her lips wrap tightly as she gulps and her girlish fingers don't look to be able to make it all the way around his meat. Will a cock that big fit into

this little Latina's young hole? There is only one way to find out.

He lies on the couch and Estrella gets down on him for a reverse cowgirl. She reaches around to pull her ass cheeks up as his dick disappears into her pink taco. "Fuck my pussy," she moans, slowly coming out of her shell as the screwing begins. "Oh god, your cock feels so good!"

Talon turns her around and plows her young field in the traditional missionary manner. Her lips are visibly tight around his meat, hard clit peeking out in the excitement. She reaches down to massage it a little, and a little is all it takes before she's grasping onto the couch to stay steady as she cums.

Talon wants his turn, too, and tells her to put his dick in her mouth. "There's some candy in there if you suck it hard enough," he tells her. She sucks and jerks him off, trying hard to get at the promised sweetness. Finally Talon lets out a guy-grunt then blasts his creamy filling straight into her face. Her joy is expressed by her smile and giggles as she continues to stroke his cock into her mouth.

MISSY STONE

AGE: 18

HEIGHT: 5′ 3″

DICK: NICK EAST

Oh, what a playful teen! Look at her green eyes light up when presented with a lollipop. Dig the panties with the smiley faces and other fun characters. See how she enjoys showing off her young boobies and her barely legal pussy hole. The latter, she says, "tastes like candy, too."

Does a guy trust that this is true, or should confirmation be made to confirm this alleged deliciousness? Naturally, this must be confirmed! First she plays with herself to get her juices flowing, then there's the taste test, but with a twist—it's Missy tasting Nick's dick! She likes it and isn't shy about saying so, but where she really wants that cock is in her twat. No problem!

Nick bends her over and good, unleashing his lengthy sword into her tight teen hole. She reaches back to fondle his balls as he unleashes inside her with long, broad strokes. A few minutes into the fun she tastes her own juices by licking them off his cock. Then she gets on top and rides his pecker with passion, showing off a pierced snatch and lovely lips that grip as she grinds. "Oh, you're so deep," she moans, "I love fucking your big cock!"

That's not all she loves doing with his meaty member. She also digs sucking him off until he puts his paste all over her face and titties. She gives it a kiss and waves goodbye to the camera.
